Organization

- Please write down your name and your matriculation number on first page!

- When you use extra sheets write your exam ID on them.
- You cannot hand us your exam in the first and last 15 minutes of the exam. (In the first 15 minutes, we've got to check your identity number and we also don't want to bother anyone in the last 15 minutes. Please pay respect to other participants.)
- At the end of the exam, please stay at your place until we have received ALL exams.

Good Luck!
